Jodi has been well respected as an educator in the grooming industry for many years. She is one of the top pet stylists in the world winning multiple titles included World Grand Champion and Best American Groomer. She is here to share her knowledge in this extraordinary book. With over 190 breeds recognized by the American Kennel Club along with individual breed-specific grooming instructions, it can become very overwhelming for new groomers to retain the information. Straight to the Point is the solution to learning about pattern lines, which simplifies the learning process. Whether the patterns are set tight or left more natural, the patterns are set in the same fashion. Once a groomer understands basic patterns he or she will be able to groom any breed with ease. The dogs pictured in this book are top winning show dogs presenting the correct profile according to their breed standards. Jodi chose to illustrate this way for several reasons. First, a show dog presents an excellent representation of the breed and how it should be groomed per the breed standard. Second, the reader will be able to see the realistic depth and dimensions of the coat. Last, it will give the reader a vision of the pattern in a realistic view and will be a great reference source when grooming each breed. Once the groomer understands correct pattern placement, it can easily be applied to pet trims. A pet dog does not have to be groomed using show techniques, i.e., hand stripping, to present the proper breed profile. With proper pattern placement and techniques described in this text, the groomer will be able to present a well-balanced, well-blended pet trim to the pet owner.

Describes the grooming requirements of different types of dogs, introduces basic tools and equipment, and demonstrates bathing and clipping procedures.

Lists useful tools and equipment and discusses the proper grooming procedure for the most popular dog breeds.

The Kennel Club's Breed Standards form the basis for judging dogs at all licensed breed shows. This fully revised edition of the authoritative guide outlines the descriptive 'standards' for each of the 201 pure breeds of dog now recognised by the Kennel Club. The book has been completely updated by a panel of experts to incorporate the latest standards for all breeds in each of the principal categories - Hound, Gundog, Terrier, Utility, Working, Pastoral and Toy. As well as providing a beautiful colour photograph of each dog, each entry contains a history of the breed, including its origins and function, as well as a full description outlining its essential features. There is also useful advice on the nature of each breed and practical information to help guide anyone who is buying a dog, as well as a glossary of canine terms. This book is essential reading for anyone who owns, or hopes to own, a pedigree dog and is indispensable for breeders, judges and those professionally involved with dogs.

The Mobile Pet Grooming Guide is the ultimate reference guide for entering, upscaling, or growing a mobile grooming business. Containing 160 pages, and 89 photos, the book covers topics such as: Starting

One of the responsibilities of every dog or cat owner is that of coat care. There are many and varied coat types and there is a vast difference between the time it takes to groom a Doberman and an Old English Sheepdog, a Siamese and a Persian cat. This book provides much needed guidance for groomers, breeders and owners. It will be invaluable for those taking the City and Guilds 775 Grooming exam and animal care students of all levels. Step by step grooming/clipping techniques are described for the more popular breeds of dog and cat and in each case the technique is illustrated with photographic sequences. The book also includes allied subjects such as skin care, commonly found skin parasites and basic first aid and handling.

Every Dog: A Book of Over 450 Breeds packs in a lot of information. Illustrations, text, charts, tables and icons make it an ideal reference for all dog lovers, who will enjoy flipping through the pages. The over 450 breeds are thoroughly researched and represent canines from around the world. They range from rare breeds for the dog lover that wants something different, to the favorite breeds that make for a reliable choice. There are ancient breeds and modern breeds, including the "designer dogs" that have become so popular in recent years. The over 450 breeds are organized into various categories, such as type (which share loosely common ancestry and traits), purpose, and more. For example, Spitz-Type Dogs typically have thick and dense fur, pointed ears and muzzles, and puffy tails that curl up and over their rears. They descend from ancient breeds that came from Arctic regions. Spitz dogs include the Akita, Canaan, American Eskimo, and the Pomeranian. Each breed is described on one page and includes these details: English and any alternative names, place of origin and year of first known introduction Icons and keys indicating all available coat colors; exercise requirements; graph indicating average weight, height and life expectancies At a Glance chart rating Intelligence; Ease of training; Affection; Playfulness; Good guard dogs; Good with children; Good with other dogs; and Grooming required. Descriptive text and a brief history of the breed Two color photographs, one adult and one puppy. Every Dog: A Book of Over 450 Breeds is a fabulous reference. In addition to the hundreds of breeds of all type, origin and purpose, the book includes the many designer breeds developed over the last couple of decades, making it undoubtedly the most up to date and detailed breed book currently available.
