This publication covers the special tax situations of active members of the U.S. Armed Forces. For federal tax purposes, the U.S. Armed Forces includes commissioned officers, warrant officers, and enlisted personnel in all regular and reserve units under control of the Secretaries of the Defense, Army, Navy, and Air Force. The U.S. Armed Forces also includes the Coast Guard. The Public Health Service and the National Oceanic and Atmospheric Administration can also receive many of the same tax benefits. The U.S. Armed Forces doesn't include the U.S. Merchant Marine or the American Red Cross. Members serving in an area designated or treated as a combat zone are granted special tax benefits. In the event an area ceases to be a combat zone, the IRS will do its best to notify you. Many of the relief provisions will end at that time.

Full color publication with photographs. A first of its kind, this book-of, by, and for the noncommissioned officer and petty officer-is a comprehensive explanation of the enlisted leader across the U.S. Armed Services. It complements The Armed Forces Officer, the latest edition of which was published by NDU Press in 2007, as well as the Services' NCO/PO manuals and handbooks. Written by a team of Active, Reserve, and retired senior enlisted leaders from all Service branches, this book defines and describes how NCOs/POs fit into an organization, centers them in the Profession of Arms, explains their dual roles of complementing the officer and enabling the force, and exposes their international engagement. As Chairman of the Joint Chiefs of Staff General Martin E. Dempsey writes in his foreword to the book, "We know noncommissioned officers and petty officers to have exceptional competence, professional character, and soldierly grit-they are exemplars of our Profession of Arms." Aspirational and fulfilling, this book helps prepare young men and women who strive to become NCOs/POs, re-inspires serving enlisted leaders, and stimulates reflection by those who have retired from or left active service. It also gives those who have never worn the uniform a better understanding of who these exceptional men and women are, and why they are properly known as the "Backbone of the Armed Forces."
