

## Case For A Creator For Kids Case For Series For Kids

Explains in plain terms who Jesus was according to the Bible, and suggests reasons why the Bible should be believed.

Drawn from Lee Strobel's own experiences as a former atheist engaged in a thorough search for truth, the articles and notes throughout The Case for Christ Study Bible provide a solid explanation of where the historical and scientific evidence point - toward the existence of a compassionate Creator God and his Son, Jesus, the Savior. The Case for Christ Study Bible features more than 500 notes and articles, including: A.) The Case for a Creator: highlighting the wonders of creation and demonstrating how the scientific evidence supports belief in an all-powerful Creator. B.) The Case for the Bible: exploring the character of the Bible, the extra-biblical evidence that corroborates scripture, and apparent contradictions. C.) The Case for Christ: investigating Jesus' claims, Messianic identity, deity, and resurrection. D.) And much more. The Good News of the Gospel transformed the life of this former atheist. It can do the same for others who commit to examining the evidence for themselves.

Was God telling the truth when he said, "You will seek me and find me when you seek me with all your heart"? In his #1 bestseller The Case for Christ, Lee Strobel examined the claims of Christ, reaching the hard-won verdict that Jesus is God's unique son. In The Case for Faith, Strobel turns his skills to the most persistent emotional objections to belief--the eight "heart barriers" to faith. This Gold Medallion-winning book is for those who may be feeling attracted to Jesus but who are faced with difficult questions standing squarely in their path. For Christians, it will deepen their convictions and give them fresh confidence in discussing Christianity with even their most skeptical friends. "Everyone--seekers, doubters, fervent believers--benefits when Lee Strobel hits the road in search of answers, as he does again in The Case for Faith. In the course of his probing interviews, some of the toughest intellectual obstacles to faith fall away." - Luis Palau "Lee Strobel has given believers and skeptics alike a gift in this book. He does not avoid seeking the most difficult questions imaginable, and refuses to provide simplistic answers that do more harm than good." - Jerry Sittser, professor of religion, Whitworth College, and author of A Grace Disguised and The Will of God as a Way of Life

Answers to the most-asked questions about Christian faith! The Case for Christianity Answer Book is a great book for both newer and seasoned Christians alike. The Q&A format lends itself to helping believers know how to effectively defend their faith. Perfect for those ready to consider Jesus, longtime believers, someone seeking the truth, or even a skeptic. This book is great for anyone looking for a handy reference. The Case for Christianity Answer Book provides succinct answers to real questions about Christianity. Strobel, a former atheist, uses his investigative journalism skills to dig deep into the Bible to provide compelling and concise answers about Christianity. In this answer book, bestselling author Lee Strobel offers biblically based answers to questions such as: Did God use evolution when He created the world? If God is loving, why is there so much suffering? Do the resurrection accounts in the four Gospels contradict each other? Can you have doubts and still be a Christian?

Answers questions about creation that even adults struggle to answer. You meet skeptics every day. They ask questions like: Are your science teachers wrong? Is the Big Bang theory true? Did God create the universe? Here's a book written in kid-friendly language that gives you all the answers. Packed full of well-researched, reliable, and eye-opening investigations of some of the biggest questions, The Case for the Creator for Kids uses up-to-date scientific research to strengthen your faith in God's creation.

Can you really trust in hope? Lee Strobel proves that you can! Lee Strobel's trademark investigative style paired with an uplifting message of the hope found in Jesus Christ. Lee's timeless message walks readers through why holding on to hope is so crucial, why we can trust in the hope of Jesus Christ, and how that hope can change our lives for the better. Lee Strobel has already helped millions delve deeper into their faith and investigate the how and the why of what they believe. His cases for a creator, Christ, and faith are air-tight and convincing to even the most stalwart skeptic. The Case for Hope is sure to inspire and ignite hope into the hearts of those who thought they were without hope.

In this stunningly innovative visual edition of The Case for Faith, Lee Strobel, award-winning reporter and author of the #1 bestseller The Case for Christ, once again uses his investigative skills to address the primary objections to Christianity. Designed with the needs of contemporary postmodern readers in mind---both spiritual seekers and the younger, more visually oriented readers of today's culture---Faith may just change your mind ... and your life.

"My road to atheism was paved by science... but, ironically, so was my later journey to God." Former atheist Lee Strobel has discovered that science, far from being the enemy of faith, now provides a solid foundation for belief in God. New scientific discoveries point to the incredible complexity of our universe, a complexity best explained by the existence of a Creator. This revised six-session study (DVD/digital video) invites participants to encounter this evidence delivered in a compelling conversational style. Join Strobel in reexamining the theories that once led him away from God. Pastors, small group leaders, and individuals seeking resources that answer tough questions about the existence of God will find compelling answers in the Case for a Creator study. Sessions include: Science and God Doubts about Darwinism The Evidence of Cosmology The Fine-tuning of the Universe The Evidence of Biochemistry The DNA and the Origin of Life Designed for use with the Case for a Creator Revised Video Study 9780310699606 (sold separately).

In this revised six-session small group Bible study, you will follow bestselling author Lee Strobel as he discovers that science, far from being the enemy of faith, now provides a solid foundation for a belief in God.

Supports the conclusion that the universe was intelligently designed with discoveries from cosmology, cellular biology, DNA research, astronomy, physics, and human consciousness. Original.

An enlightening follow-up to the bestselling book The Case for Christ, In Defense of Jesus follows award-winning journalist Lee Strobel as he explores the most explosive arguments against the identity of Christ as the Messiah. Has modern scholarship debunked the traditional Christ? Has the church suppressed the truth about Jesus to advance its own agenda? What if the real Jesus is far different from the atoning Savior worshiped through the centuries? In Defense of Jesus explores such hot-button questions as: Did the church suppress ancient non-biblical documents that paint a more accurate picture of Jesus than the four Gospels? Did the church distort the truth about Jesus by tampering with early New Testament texts? Do new insights and explanations disprove the resurrection? Have fresh arguments disqualified Jesus from being the Messiah? Did Christianity steal its core ideas from earlier mythology? Evaluate the arguments and evidence being advanced by prominent atheists, liberal theologians, Muslim scholars, and others. Sift through expert testimony. Then reach your own verdict with In Defense of Jesus. This title is also available in Spanish, En defensa de Jesús.

In the modern age science has been winning its centuries—old battle with religion for the mind of man. The evidence has long seemed incontrovertible: Life was merely a product

of blind chance—a cosmic roll of an infinite number of dice across an eternity of time. Slowly, methodically, scientists supplied answers to mysteries insufficiently explained by theologians. Reason pushed faith off into the shadows of mythology and superstition, while atheism became a badge of wisdom. Our culture, freed from moral obligation, explored the frontiers of secularism. God was dead. "Glynn's arguments for the existence of God put the burden of disproof on those intellectuals who think that the question has long since been settled." — Andrew M. Greeley But now, in the twilight of the twentieth century, a startling transformation is taking place in Western scientific and intellectual thought. At its heart is the dawning realization that the universe, far from being a sea of chaos, appears instead to be an intricately tuned mechanism whose every molecule, whose every physical law, seems to have been design from the very first nanosecond of the big bang toward a single end—the creation of life. This intellectually and spiritually riveting book asks a provocative question: Is science, the long-time nemesis of the Deity, uncovering the face of God? Patrick Glynn lays out the astonishing new evidence that caused him to turn away from the atheism he acquired as a student at Harvard and Cambridge. The facts are fascinating: Physicists are discovering an unexplainable order to the cosmos; medical researchers are reporting the extraordinary healing powers of prayer and are documenting credible accounts of near-death experiences; psychologists, who once considered belief in God to be a sign of neurosis, are finding instead that religious faith is a powerful elixir for mental health; and sociologists are now acknowledging the destructive consequences of a value-free society. *God: The Evidence* argues that faith today is not grounded in ignorance. It is where reason has been leading us all along. In this New York Times bestselling book, award-winning Chicago Tribune journalist Lee Strobel investigates and unpacks the scientific evidence that points toward God. "My road to atheism was paved by science . . . but, ironically, so was my later journey to God," Strobel says. During his academic years, Lee Strobel became convinced that God was obsolete, a belief that colored his journalism career. Science had made the idea of a Creator irrelevant - or so Strobel thought. But today science points in a different direction. A diverse and impressive body of research has increasingly supported the conclusion that the universe was intelligently designed. At the same time, Darwinism has faltered in the face of concrete facts and hard reason. Has science discovered God? At the very least, it's giving faith an immense boost, as new findings emerge about the incredible complexity of our universe. Join Strobel as he reexamines the theories that once led him away from God. Through his compelling and highly readable account, you'll encounter the mind-stretching discoveries from cosmology, cellular biology, DNA research, astronomy, physics, and human consciousness that present astonishing evidence in *The Case for a Creator*. Also available: *The Case for a Creator* small group video study and study guide, Spanish edition, kids' edition, student edition, and more.

Explains in plain terms such issues for Christians as the existence of evil, miracles, the meaning of Jesus, the validity of other religions, and religious doubt, and suggests reasons why the Bible should be believed about these matters.

Offers a faith-based approach to science, the universe, and the development of human life.

There's proof a man named Jesus of Nazareth once walked the earth, but opinions on exactly who he was can vary widely. Was he really the Son of God, or was he a nice guy who did some positive things on earth, or was he possibly an unstable man? And how can you know for sure what is true and what is false when it comes to what you've read or been told? Lee Strobel decided to investigate the real, historical Jesus and gather irrefutable evidence on everything connected to him so you can discover the biblical truth for yourself. A great prophet. A rebel. The Messiah. A crazy lunatic. Someone who never existed at all. All of these phrases describe different people's views of Jesus, and various ancient documents have been discovered and various books have been written by scholars that seem to support each version. Not to mention all the arguments that say the Bible can't be trusted as a reliable source of information on Jesus. So what are you supposed to believe—and why? Lee Strobel wanted the provable, undeniable truth, so he decided to return to the investigation he began in *The Case for Christ* and explore a variety of new angles to find out once and for all who the real Jesus was. Inside are interviews with numerous biblical scholars and once-zealous doubters about the most common arguments against Jesus, discussions of how reliable Scripture really is, examinations of unearthed ancient texts that appear to counter the gospels, and the evidence that shows who Jesus really was and continues to be in our world. Explore the case for yourself and decide: Is the real Jesus the one the Bible has proclaimed all along? *The Case for the Real Jesus Student Edition*: Presents the arguments for and against who Jesus is that teens and young adults thirteen and up often ask and encounter so they can see the real facts Uses logic and solid information to examine why Christians believe what they do Can be used in the classroom, in group studies, or as part of a religious studies or comparison class Contains infographics and charts to make the concepts clear Pairs well with *The Case for Christ Student Edition*, *The Case for a Creator Student Edition*, *The Case for Faith Student Edition*, and *The Case for Miracles Student Edition* Explores the credibility and accuracy of Jesus' biographies, whether archaeology disproves or confirms the biblical records, whether Jesus is divine, and whether Jesus fulfilled the messianic prophecy.

In *The Case for Grace*, bestselling author Lee Strobel crafts a compelling and highly personal case for God, focusing on God's transforming work in the lives of men and women today. In this book, you'll encounter racists, addicts, and even murderers who have found new hope and purpose. You'll meet once-bitter people who have received God's power to forgive those who have harmed them - and, equally amazing, people mired in guilt who have discovered that they can even forgive themselves. Writing with unusual candor, Lee draws upon his own journey from atheism to Christianity to explore the depth and breadth of God's redeeming love for spiritually wayward people. He travels thousands of miles to capture the inspiring stories of everyday people whose values have been radically changed and who have discovered the "how" and "why" behind God's amazing grace. Through it all, you will be encouraged as you see how God's grace can revolutionize your eternity and relationships . . . starting today. Also available: *The Case for Grace*

Spanish edition, kids' edition, and student edition. Plus, be sure to check out Lee Strobel's entire collection of Case for... books: The Case for Christ investigates the historical evidence for Jesus The Case for a Creator explores the scientific evidence for God The Case for Faith responds to eight major objections about Christianity . . . and more! In The Case for Grace for Kids, Lee Strobel, along with Jesse Florea, presents the concept of grace in a way kids eight to twelve relate to. Sharing stories of people who have been changed by God's love and forgiveness, learning to forgive those who have hurt them, as well as forgive themselves. Lee also shares never-before-seen stories from his own journey from atheism to Christianity, and how God's redeeming love personally affected him. Throughout the book, readers will see how God's grace can change their lives and relationships today. .

Someone came between Lee and Leslie Strobel, threatening to shipwreck their marriage. No, it wasn't an old flame. It was Jesus Christ. Leslie's decision to become a follower of Jesus brought heated opposition from her skeptical husband. They began to experience conflict over a variety of issues, from finances to child-rearing. But over time, Leslie learned how to survive a spiritual mismatch. Today they're both Christians--and they want you to know that there is hope if you're a Christian married to a nonbeliever. In their intensely personal and practical book, they reveal: \* Surprising insights into the thinking of non-Christian spouses \* A dozen steps toward making the most of your mismatched marriage \* Eight principles for reaching out to your partner with the gospel \* Advice for raising your children in a spiritually mismatched home \* How to pray for your spouse--plus a 30-day guide to get you started \* What to do if you're both Christians but one lags behind spiritually \* Advice for single Christians to avoid the pain of a mismatch

There's little question that he actually lived. But miracles? Rising from the dead? Some of the stories you hear about him sound like just that - stories. A reasonable person would never believe them, let alone the claim that he's the only way to God! But a reasonable person would also make sure that he or she understood the facts before jumping to conclusions. That's why Lee Strobel - an award-winning legal journalist with a knack for asking tough questions - decided to investigate Jesus for himself. An atheist, Strobel felt certain his findings would bring Christianity's claims about Jesus tumbling down like a house of cards. He was in for the surprise of his life. Join him as he retraces his journey from skepticism to faith. You'll consult expert testimony as you sift through the truths that history, science, psychiatry, literature, and religion reveal. Like Strobel, you'll be amazed at the evidence - how much there is, how strong it is, and what it says. The facts are in. What will your verdict be in The Case for Christ?

Is there credible evidence that Jesus of Nazareth is really the Son of God? This new edition includes scores of revisions and additions, including updated material on archaeological and manuscript discoveries.

Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs.

Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

A new presentation of the material in Lee Strobel's best-selling and Gold Medallion Award-winning book, The Case for Christ. Written specifically for teens and older. 'Excellent for Homeschool Use'

A riveting journey to the truth about the most remarkable event in history: The resurrection of Jesus Christ and the proof behind it. From the award-winning, best-selling book, The Case for Christ by Lee Strobel, this booklet is perfect for Easter or any time of the year.

We were created by an infinitely creative God to reflect his love and character to the world. One way we do that is by continuing his creative work. In this energizing book, serial entrepreneur and bestselling author Jordan Raynor helps artists, entrepreneurs, writers, and other creatives reimagine our work as service to God and others, addressing such penetrating questions as - Is my work as a creative really as God-honoring as that of a pastor or missionary? - What does it look like to create not to make a name for myself but to glorify God and serve others? - How can I use my work to fulfill Jesus's command to create disciples? - Will what I make today matter in eternity? To answer these questions, Raynor shares compelling stories from an eclectic group of 40+ Christian entrepreneurs, including the founders of TOMS Shoes, Charity: Water, Chick-fil-A, In-N-Out Burger, Guinness, HTC, and Sevenly, as well as nontraditional entrepreneurs such as C. S. Lewis, Johann Sebastian Bach, and J. R. R. Tolkien. Raynor's "show" rather than "tell," story-driven style makes you feel as if you are sitting at the feet of some of the godliest and most successful entrepreneurs of all time. Perfectly poised to reach today's growing creative class, this unique work restores God's position as the first entrepreneur, helping readers see the eternal value in the work they do today.

In his #1 best-seller The Case for Christ, legally trained investigative reporter Lee Strobel examined the claims of Christ, reaching the hard-won verdict that Jesus is God's unique son. But despite the compelling historical evidence that Strobel presented, many people grapple with serious concerns about faith in God. As in a court of law, they want to shout, "Objection!" They say, "If God is love, then what about all the suffering in our world?" Or, "If Jesus is the door to heaven, then what about the millions who have never heard of him?" Or, "If God cares for everyone, then why does he eternally torture some in hell?" In The Case for Faith, Strobel turns his tenacious investigative skills to the most persistent emotional objections to belief--the eight "heart" barriers to faith. The Case for Faith is for those who may be feeling attracted to Jesus but who are faced with formidable

intellectual barriers standing squarely in their path. For Christians, it will deepen their convictions and give them fresh confidence in discussing Christianity with even their most skeptical friends.

Did Jesus of Nazareth really rise from the dead? Of the many world religions, only one claims that its founder returned from the grave. The resurrection of Jesus Christ is the very cornerstone of Christianity. But a dead man coming back to life? In our sophisticated age, when myth has given way to science, who can take such a claim seriously? Some argue that Jesus never died on the cross. Conflicting accounts make the empty tomb seem suspect. How credible is the evidence for--and against--the resurrection? Focusing his award-winning skills as a legal journalist on history's most compelling enigma, Lee Strobel retraces the startling findings that led him from atheism to belief. He examines: The Medical Evidence: Was Jesus' death a sham and his resurrection a hoax? The Evidence of the Missing Body: Was Jesus' body really absent from his tomb? The Evidence of Appearances: Was Jesus seen alive after his death on the cross? Written in a hard-hitting journalistic style, *The Case for Easter* probes the core issues of the resurrection. Jesus Christ, risen from the dead: superstitious myth or life-changing reality? The evidence is in. The verdict is up to you.

Who Was Jesus? A good man? A lunatic? God? There's little question that he actually lived. But miracles? Rising from the dead? Some of the stories you hear about him sound like just that--stories. A reasonable person would never believe them, let alone the claim that he's the only way to God! But a reasonable person would also make sure that he or she understood the facts before jumping to conclusions. That's why Lee Strobel--an award-winning legal journalist with a knack for asking tough questions--decided to investigate Jesus for himself. An atheist, Strobel felt certain his findings would bring Christianity's claims about Jesus tumbling down like a house of cards. He was in for the surprise of his life. Join him as he retraces his journey from skepticism to faith. You'll consult expert testimony as you sift through the truths that history, science, psychiatry, literature, and religion reveal. Like Strobel, you'll be amazed at the evidence--how much there is, how strong it is, and what it says. The facts are in. What will your verdict be in *The Case for Christ*?

Of the many world religions, only one claims that its founder returned from the grave. The resurrection of Jesus Christ is the very cornerstone of Christianity. But a dead man coming back to life? In our sophisticated age, when myth has given way to science, who can take such a claim seriously? Some argue that Jesus never died on the cross. Conflicting accounts make the empty tomb seem suspect. How credible is the evidence for the resurrection? Focusing his award-winning skills as a legal journalist on history's most compelling enigma, Lee Strobel retraces the startling findings that led him from atheism to belief. Drawing on expert testimony first shared in his blockbuster book *The Case for Christ*, Strobel examines: The Medical Evidence -- Was Jesus' death a sham and his resurrection a hoax? The Evidence of the Missing Body -- Was Jesus' body really absent from his tomb? The Evidence of Appearances -- Was Jesus seen alive after his death on the cross? Written in a hard-hitting journalistic style, *The Case for Easter* probes the core issues of the resurrection. Jesus Christ, risen from the dead: superstitious myth or life-changing reality? The evidence is in. The verdict is up to you. Book jacket.

Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.

In *The Case for a Creator*---Student Edition, best-selling author and former atheist Lee Strobel and popular writer Jane Vogel take younger readers on a remarkable investigation into the origin of the universe, interviewing many of the world's most renowned scientists and following the evidence wherever it leads. Their findings---presented in the third blockbuster 'Case' book student edition---offer the most compelling scientific proof ever for intelligent design. Perfect for youth groups and young people eager to rebut the Darwinian and naturalistic views taught so commonly in schools.

New York Times bestselling author Lee Strobel trains his investigative sights on the hot-button issue of whether it's credible to believe God intervenes supernaturally in people's lives today. This provocative book starts with an unlikely interview in which America's foremost skeptic builds a seemingly persuasive case against the miraculous. But then Strobel travels the country to quiz scholars to see whether they can offer solid answers to atheist objections. Along the way, he encounters astounding accounts of healings and other phenomena that simply cannot be explained away by naturalistic causes. The book features the results of exclusive new scientific polling that shows miracle accounts are much more common than people think. What's more, Strobel delves into the most controversial question of all: what about miracles that don't happen? If God can intervene in the world, why doesn't he do it more often to relieve suffering? Many American Christians are embarrassed by the supernatural, not wanting to look odd or extreme to their neighbors. Yet, *The Case for Miracles* shows not only that the miraculous is possible, but that God still does intervene in our world in awe-inspiring ways. Here's a unique book that examines all sides of this issue and comes away with a passionate defense for God's divine action

in lives today.

Answers questions about Christ that even adults struggle to answer. You meet skeptics every day. They ask questions like: Was Jesus really born in a stable? Did his friends tell the truth? Did he really come back from the dead? Here's a book written in kid-friendly language that gives you all the answers. Packed full of well-researched, reliable, and eye-opening investigations of some of the biggest questions you have, *The Case for Christ for Kids* brings Christ to life by addressing the miracles, ministry, family, and existence of Jesus of Nazareth.

New York Times bestselling author Lee Strobel trains his investigative sights on the hot-button issue of whether it's credible to believe God intervenes supernaturally in people's lives today. The book features the results of exclusive new scientific polling and first-hand reports that show miracle accounts are much more common than people think.

In *The Case for a Creator—Student Edition*, best-selling author and former atheist Lee Strobel and popular writer Jane Vogel take younger readers on a remarkable investigation into the origin of the universe, interviewing many of the world's most renowned scientists and following the evidence wherever it leads. Their findings—presented in the third blockbuster “Case” book student edition—offer the most compelling scientific proof ever for intelligent design. Perfect for youth groups and young people eager to rebut the Darwinian and naturalistic views taught so commonly in schools.

God's astounding claims about himself and his work on our behalf are embedded throughout the pages of Scripture. He sees potential in us that we don't see in our wildest dreams. He sees qualities that we don't think we can ever achieve. He has faith in us that we lack in ourselves. But when we know and fully understand what He has promised, we are liberated to grow in virtue, live out our faith as an adventure, relate to others with authenticity, earn a living with integrity, and make a difference in our culture—all through his power. Lee Strobel's insights into the benefits of living as a fully devoted follower of Christ are refreshing and powerfully relevant. Using true stories, including his own, he shows that Christianity really works, that we really can live transformed, authentic, and effective lives—and that God's promises and power are very real and very true.

A cold-case homicide detective helps Christians understand why it's important to develop a “forensic faith” and provides a unique template to help them become effective “Christian Case Makers.” *Forensic Faith* will help readers: understand why they have a duty to defend the truth develop a training strategy to master the evidence for Christianity learn how to employ the techniques of a detective to discover new insights from God's Word become better communicators by learning the skills of professional case makers With real-life detective stories, fascinating strategies, and biblical insights, Wallace teaches readers cold-case investigative disciplines they can apply to their Christian faith. *Forensic Faith* is an engaging, fresh look at what it means to be a Christian.

Doubt is familiar territory for Lee Strobel, the former atheist and award-winning author of books for skeptics and Christians. But he believes that faith and reason go hand in hand, and that Christianity is a defensible religion. In this six-session video curriculum, Strobel uses his journalistic approach to explore the most common emotional obstacles to faith in Christ. These include the natural inclination to wrestle with faith and doubt, the troubling presence of evil and suffering in the world, and the exclusivity of the Christian gospel. They also include this compelling question: Can I doubt and be a Christian? Through compelling video of personal stories and experts addressing these topics, combined with reflection and interaction, Christians and spiritual seekers will learn how to overcome these obstacles, deepen their spiritual convictions, and find new confidence that Christianity is a reasonable faith.
