NEW YORK TIMES BEST SELLER • A TODAY SHOW #READWITHJENNA BOOK CLUB PICK! • The moving story of an undocumented child living in poverty in the richest country in the world—an incandescent debut from an astonishing new talent “Heartrending, unvarnished, and powerfully courageous, this account of growing up undocumented in America will never leave you.” —Gish Jen, author of *The Resisters* In Chinese, the word for America, Mei Guo, translates directly to “beautiful country.” Yet when seven-year-old Qian arrives in New York City in 1994 full of curiosity, she is overwhelmed by crushing fear and scarcity. In China, Qian’s parents were professors; in America, her family is “illegal” and it will require all the determination and small joys they can muster to survive. In Chinatown, Qian’s parents labor in sweatshops. Instead of laughing at her jokes, they fight constantly, taking out the stress of their new life on one another. Shunned by her classmates and teachers for her limited English, Qian takes refuge in the library and masters the language through books, coming to think of *The Berenstain Bears* as her first American friends. And where there is delight to be found, Qian relishes it: her first bite of gloriously greasy pizza, weekly “shopping days,” when Qian finds small treasures in the trash lining Brooklyn’s streets, and a magical Christmas visit to Rockefeller Center—confirmation that the New York City she saw in movies does exist after all. But then Qian’s headstrong Ma Ma collapses, revealing an illness that she has kept secret for months for fear of the cost and scrutiny of a doctor’s visit. As Ba Ba retreats further inward, Qian has little to hold onto beyond his constant refrain: Whatever happens, say that you

What if I told you the decision for your existence did not come from your parents. What if I told you, you are more than a man-made idea, that your existence isn't about existence at all. You were not put here to merely exist. What if I told you, you were planned before the creation of the world you now live in. That you were made to live an abundant world, changing life and you were made in the image of God Almighty himself. That He alone breathed into you so that you could live and change the world. He gave you His identity in your mind, in your emotions, and in your body. Your creator is not your parents; therefore, your identity cannot come from them. You have an individual identity that was knit together before creation. God fashioned you to be a specific person who could never be duplicated. You are one of a kind, and you cannot be copied. You were created with a purpose, for a purpose. In the pages of this book, I will walk you through the identity process. God needs you; He needs all of you. Every piece of your identity needs to be fluently working so you can fulfill your destiny and purpose so you can start winning victories over the battles you've been fighting for far too long, so addictions

Some would say I have a privileged life. Daughter of the current President of the United States, wealthy, famous, and all things that some girls wish they had. Only I'd dream of having a simple life. A life where I wasn't marrying the scariest man I have ever met. Well, I thought I had just met him, but it turns out, there's so much I don't know about myself. That's all thanks to a past so twisted, so warped, that no amount of money, or presidential status could wipe it clean. I'm the rebel child. Or as some may see it, the disappointment. I've never cared about expensive wedding gowns, or how much someone paid for a tailored suit. I don't care if your wedding dress is from Walmart, or if it's from some fancy, upscale designer line. So why am I marrying the devil dressed in a thousand-dollar suit? I'm about to find out how I got here. To marrying one of the most powerful men in the country. The road to finding out, though, is paved with darkness, painted with the blood of innocents, and it leads my ass straight to hell. Only this hell is a multi-million-dollar penthouse suite in New York City where Bryant Saint Royal, sits on his throne. From HRH Princess Michael of Kent, bestselling author of *The Queen of Four Kingdoms*, comes the extraordinary second volume in the Anjou trilogy.
