A Look at the History of the Emo and Indie Music Era Explore the cultural, social, and psychological factors surrounding the genres. Though songs can be timeless, music is often a result of the era in which it was created. The 2000s in music gave rise to indie, emo, and punk rock, carrying an emotional tone that has resonated with listeners ever since. Originally appealing to a small selection of music lovers, this music era now holds a significant place in the history of rock. The relationship between music and mental health. Music leaves its mark on the world by touching the hearts and minds of its creators and listeners. This book explores that connection and takes a look at what emo, alternative, and indie music did for the mental health of musicians and listeners. Inside stories from the music legends themselves. The voices of the rock musicians who contributed to these genres of music are just as important now as they were then. Author Taylor Markarian includes both her own interviews with bands and those from outside sources to provide an oral history and offer an authentic portrayal of these underground arts. Markarian's book offers a comprehensive look into genres of music that have been simultaneously mocked and admired. Discover in From the Basement:

- The beauty and legitimacy of the gritty, wailing music that evolved into indie, alternative, and emo
- Insights from conversations with favorite emo/indie bands of the time
- The impact these genres have had on the millennial generation and today's pop culture and mental health
- Extensive coverage of bands like Save the Day, Dashboard Confessional, and My Chemical Romance

If books such as Please Kill Me, American Hardcore, Meet Me in the Bathroom, and Sex, Drugs, and Cocoa Puffs have rocked your world, then From the Basement: A History of Emo Music and How It Changed Society should be your next read. Please note: A batch of printed copies mislabeled the band Hot Water Music as How Water Music. If you received a copy with this issue, please contact [support@mango.bz](mailto:support@mango.bz) to receive a corrected copy of the book.

Inspired by TRUE EVENTS. On an American college campus in 1987, three students began playing a seemingly innocent game of contacting the dead. This is their story.

When six college kids play around with a Ouija board they are promised by a spirit to be led to a hidden treasure--but only if they follow his directions to a secluded spot in the mountains where either riches or death awaits. Original.

A collection of twenty-four short, purportedly true stories about ghosts, strange disappearances, and odd events from around the world.

Terrifying Eyewitness Accounts Of REAL Life Ouija Board Experiences: Would You Dare? Claim Your FREE Bonuses After the Conclusion! Do you have a Ouija board at your home? Have you ever tried using it? If yes, what experiences do you have with it? Are they good, or bad? If you haven't used it yet, will you ever try it? If you answer yes, I urge you to read this book first for it might

change your mind... If you are fond of excitement, thrill, and suspense, you might be encouraged to bring the board out, call out some adventurous friends, and light up the candles. As you already know, participating in a séance using a Ouija board is a choice. Many people believe it's a ridiculous thing, so they won't even be bothered: when asked if they would like to try it, they would simply shake their heads no. Others find it interesting; how can you not when you can - if you're lucky - talk to a dead person and learn something about their life when they were still a part of the living world? However, there are those who hated the idea of Ouija boards and yet, they still played with it. In this book, you'll find 9 creepy, true stories of Ouija board experiences. You might not believe some of them, but please keep an open mind... Here Is A Preview Of What's Inside... Ouija Board Stories: My Hobby, The Risks Ouija Board Stories: First Time, Last Time Ouija Board Stories: The Last Time We Played Ouija Ouija Board Stories: Participate, You Must Not Ouija Board Stories: Unboxing the Ouija Board Ouija Board Stories: You Don't "Play" with Ouija Boards Much, much more! For years, and in countries around the world, supernatural enthusiasts have turned to the Ouija board for their first glimpse of what lies beyond-a dimension where ghosts, spirits, demons, and devils roam free. With such a long and diverse history, it's unsurprising that Ouija has thrown up some interesting experiences. To some, it's just a bit of fun; a spooky parlor game to pass the time with friends. For others, however, the terrifying encounter haunts them for a lifetime; an experience never to be forgotten. These people would instantly erase their experience, if only they could... Haunted Ouija Boards dives into some of the spookiest encounters, giving us a spooky glimpse into the paranormal world-the book is filled with true stories from non-believers, believers, and Spiritualism fanatics, giving you a wide range of sources. Disturbing tales of lingering ghosts, ominous warnings, and implausibly correct predictions for the future are contained within. As we dig deeper, though, the stories become darker-demonic encounters, spirits physically attacking houseguests, and even the Ouija board becoming the motivation for murder. Never underestimate the powerful entities that the Ouija board can connect you with. As well as the compilation of terrifying true tales, Haunted Ouija Boards highlights just how dangerous this "simple board game" can be, and how to enjoy it safely-if that's even possible. Haunted Ouija Boards will challenge skeptics to become believers. All of this, made possible by one board, with 26 letters, ten numbers, and a few simple words. And a little help from the spirit world, of course.

Looking for a Scare? Then Read These 15 Spine-chilling Stories The idea of a haunted castle isn't too foreign to most of us. After all, old castles undoubtedly saw many deaths, unjust executions, tortures, broken hearts, and violence in general. Even the most stunning and awe-inspiring castles can hide the darkest secrets, filled with spirits refusing to let those secrets die. From ghosts re-enacting their own executions to ever-present blood stains and playful phantom children, you will read chilling accounts of true hauntings in castles across the world. Ireland, New Zealand, Canada, Austria, the Czech Republic, and more are the homes of castles whose astounding history and unusual architecture are shadowed only by their reputation for paranormal phenomenon and restless ghosts. Consider the imposing Houska Castle, the site of secretive Nazi experiments in physics and the paranormal, which was built hundreds of years ago to keep evil inside rather than invaders out like most castles. The notorious Tower of

London has its share of unruly spirits, including a massive bear that nearly scared a security guard to death. Those are just some of the frightening true stories within this book as you learn about the world's most haunted castles. You will discover a man dragged down a dungeon hallway still inhabited by the ghost of an evil torturer. You may laugh about how many ghostly photobombers enjoy showing up in tourists' pictures or gasp at the account of a headless drummer boy who suddenly disappears. Consider awakening in the middle of the night surrounded by a group of Druid-like monks. Think of how terrified you would be to encounter a suit of armor that let out a blood-curdling, pain-riddled scream. Ponder viewing security footage displaying a heavy door flinging wide open only seconds before a massive, hooded figure appears. If you find these types of stories fascinating and creepy, this is the book for you. Ready to scare yourself senseless? Scroll to the top of the page and hit buy!

This unstoppable publishing phenomenon was the inspiration behind one of the most successful horror movies of all time. A powerful presence has taken possession of the 12-year-old daughter of a film star. The ensuing battle between a doubt-ridden priest and the unspeakable horror within the girl is a classic war of good versus evil.

A chilling boarding school ghost story that will keep you up all night... Fourteen-year-old Frankie Ward is used to being the new girl at school, but even she is unprepared for life at St Mark's College. Finding herself isolated from the rest of the girls, Frankie is drawn to flamboyant and dramatic Suzy, who captivates her with stories of 'The Blue Lady' - the ghost of an ex-St Mark's pupil who died in mysterious and tragic circumstances. One night Suzy persuades Frankie to help her contact The Blue Lady via an Ouija Board - and the girls unleash a terrifying spirit who seems set on destroying not only their friendship but Suzy's sanity. Determined to rescue her friend, Frankie enlists the help of Seb, a mysterious and alluring boy from sister-school St Hilda's. Seb is as interested in St Mark's past as Frankie - but does he have as many dark secrets as the school?

Can we speak with the spirits of the dead? Is it possible to know the future? Are our dreams harbingers of things to come? Do auspicious omens and cautionary portents effect our lives? Edited by Ross E. Lockhart, *Tales from a Talking Board* examines these questions--and more--with tales of auguries, divination, and fortune telling, through devices like Ouija boards, tarot cards, and stranger things. So dim the lights, place your hands upon the planchette, and ask the spirits to guide you as we present fourteen stories of the strange and supernatural by Matthew M. Bartlett, Nadia Bulkin, Nathan Carson, Kristi DeMeester, Orrin Grey, Scott R. Jones, David James Keaton, Anya Martin, J. M. McDermott, S.P. Miskowski, Amber-Rose Reed, Tiffany Scandal, David Templeton, and Wendy N. Wagner.

During the summer of 2017, LiveSciFi paranormal investigator Tim Wood and author Celina Summers conducted a real-life experiment where Wood contacted the demon known as Zozo every night for a month. Wood believed Zozo was a demon; Summers believed Zozo was a myth. The Zozo experiment was to be the first paranormal experiment live streamed to thousands of witnesses. Its purpose? To determine the validity of the Zozo entity once and for all. But the experiment didn't end. Demonic influence pursued both researchers through their subsequent investigations...and their daily lives. As the activity heated up, the questions grew more difficult to answer. Was there really an entity named Zozo? Or was Zozo a smokescreen for something more

## Get Free Ouija Board Stories Chilling True Horror Stories Of Ouija Boards Gone Wrong Ouija Board Stories Ghost Stories True Horror Stories Ouija Board Nightmares Haunted Places Book 1

sinister? At the end of the day, they had to confront the most terrifying question of all: were they stalking the Zozo demon? Or was Zozo stalking them? The Zozo experiment is not your normal paranormal.

This book contains 101 bite-sized horror stories that are intended to scare and unsettle you. These are real peoples' accounts of the creepy and the occult--of their near-misses with madmen and paranormal entities. Each chapter is a short, stand alone campfire tale, a retelling of a frightening or gruesome incident that has stuck with the teller, something that gives them pause to this day when they find themselves alone in the dark. These stories have been collected with the knowledge that real life is scarier than fiction. Read with caution.

Think the Ouija board is just a game? Think again. For more than a century, the Ouija board has attracted the attention of a wide variety of people: paranormal thrill-seekers, adventurous adolescents, temperamental teens, tipsy party guests, and even curious skeptics. Most of the time, those who dabble with the Ouija or other spirit boards experience nothing out of the ordinary. But many times that's not the case. And many times that extraordinary experience isn't just strange, but downright terrifying. Ouija Board Nightmares takes a look at some of those terrifying experiences, which range from nightmarish manifestations to actual physical assaults and demonic possession. While part of the author's intention is to inform and engage with these scary accounts, the main objective is to warn. While the Ouija board may be marketed as a harmless game, it is indeed neither. If the accounts in this book don't convince you of that, then nothing will.

When her best friend dies under mysterious circumstances, Sophie sets off to stay with her cousins on the remote Isle of Skye. It's been years since she last saw them--brooding Cameron with his scarred hand; Piper, who seems too perfect to be real; and peculiar little Liliias with her fear of bones. Still, Sophie never expected the strange new rules the family now lives by: Make no mention of Cameron's accident. Never leave the front gate unlocked. Above all, don't speak of the girl who's no longer there, the sister whose death might have closer ties to Sophie's past--and more sinister consequences for her future--than she ever knew. A wondrously haunting and modern thriller, Frozen Charlotte drips with mystery and madness, secrets and survival, and the chilling sense that the impossible might be all too real.

Time For Nightmares: True Tales of Ghosts, Hauntings, & The Possessed... Claim Your FREE Bonuses After the Conclusion! All ghost stories are scary to some degree, but the ones we believe are by far the spookiest. As we read these tales, clutching at our blankets, staring anxiously at our closets, part of our brains are devoted to one simple question... Why am I so scared? In truth, the answer is simple. We are terrified of these real life ghost stories because we understand one fundamental concept--if it can happen to them, it can happen to you. Humans channel their empathy to experience specific situations that other people have endured. This allows us to sympathize with those who are down, and celebrate with others when they have a success in life. And it is this ability to empathize that makes us afraid of the small scratching sounds coming from the reciter's attics, or the sound of phantom footsteps by the stairwell... We know, deep down, that such horrifying experiences could have happened to us instead. And when they finally do, they can turn the most unwavering skeptic into a true believer. Spirits and demons are out there in our world,

Have a Ouija board in your house? Thinking about trying one out? You won't after reading this book. Containing the full editions of Ouija Board Nightmares 1 and 2, this newest compendium offers a sweeping thrill ride through the mysterious and hair-raising world of the Ouija. Real-life encounters with strange and terrible entities drive these tales of unearthly obsession, frightful oppression, and terrifying possession. Though the Ouija board may be marketed as a game, there are no winners in this activity. Only victims. Fans of the paranormal, would-be dabblers in the occult, skeptics as well as believers will find Ouija Board Nightmares: The Complete Collection an entertaining if not cautionary reading experience. The chilling stories told within its pages may confirm your own suspicions, or open your eyes to a dark and dangerous alternate reality. One thing is certain: they will not be soon forgotten. Nightmares rarely are.

A chilling, suspense-filled ghost story from multimillion-copy bestselling author Peter James, now also a hit stage show. Ollie and Caro Harcourt are moving house with their twelve-year-old daughter Jade. Ollie is desperate to leave the city. Caro is less sure. Then they view Cold Hill House, a dilapidated rural mansion, and fall instantly in love. It's expensive, but with its space, seclusion and huge grounds it seems like a brilliant idea. That is, until they arrive. It soon becomes apparent that they are not alone. A spectral woman appears on screens and walks the corridors, vanishing before she can be challenged. Strange occurrences become ever more common. Then Caro starts seeing faces, always looking out of the same upstairs window. The room behind it could hold the key to the disturbing secret behind the house's mysterious past. Except for the fact that the room doesn't seem to exist... A blood-chilling horror novel from one of the true masters of thrills, perfect for fans of Stephen King and Dean Koontz. Praise for The House on Cold Hill 'Impeccable' The Sunday Times 'Superbly creepy modern horror story' Book of the Week, Sunday Mirror 'James is a compelling storyteller and he ratchets up the tension in increments, so that his readers will be suitably terrified. By the time you want to scream 'Look behind you!', it's already too late.' Daily Mail

Chilling True Horror Stories Of Ouija Boards Gone Wrong... Claim Your FREE Bonuses After the Conclusion! Let's be honest: there's an inner psychic in all of us. There are times when we become fascinated with things like death, ghosts, afterlife, and well, Ouija boards. If you're curious about what will happen should you touch and play with a "talking" board, then you have come to the right place. There's a story about a boring séance which yielded scary results. There's one about a mother who dared "Satan" even after her dead father warned her not to play with the board. Another is about an 11-year old who failed to play by the rules. One story featured is about a woman who was tricked by the spirit to torture her husband...I'm sure you're excited to read all the stories here, but before you proceed, let me ask you this question: are you brave enough to perform a séance using the talking board? and Fates and Furies Mariana Enriquez has been critically lauded for her unconventional and sociopolitical stories of the macabre. Populated by unruly teenagers, crooked witches, homeless ghosts, and hungry women, they walk the uneasy line between urban realism and horror. The stories in her new collection are as terrifying as they are socially conscious, and press into being the unspoken—fetish, illness, the female body, the darkness of human history—with bracing urgency. A woman is sexually obsessed with the human heart; a lost, rotting baby crawls out of a backyard and into a bedroom; a pair of teenage girls can't let go of their idol; an entire neighborhood is cursed to death when it fails to respond correctly to a moral dilemma. Written against the backdrop of contemporary Argentina, and with a resounding tenderness toward those in pain, in fear, and in limbo, *The Dangers of Smoking in Bed* is Mariana Enriquez at her most sophisticated, and most chilling.

When Alycia and her three best friends bought a Ouija board for some late night entertainment, they came in contact with something that defies all reason. They find themselves faced with questions that would make others run in fear. Delving into this frightening unknown, they soon discover they are dealing with a force more powerful than they could possibly understand. Enlisting some knowledgeable help on supernatural entities, they are introduced to a world they never thought existed. As they try to maintain the normalcy of their summer break and figure out how to rid themselves of this other worldly being they realize their lives will never be the same and that some games aren't meant to be played with.

**Don't Go in the Basement: Inside the Most Haunted Houses In Existence... Claim Your FREE Bonuses After the Conclusion!**  
There are plenty of people in the world who will live their lives without ever stepping foot in a real haunted house. These fortunate souls can contentedly spend their days without worrying about a malevolent spirit disturbing their sleep. However, not everyone is so lucky... This book covers houses in Ireland, Germany, Italy, and America. They are each their own unique brand of terrifying. In these homes, people have lived, died, and been reincarnated. Their walls have trapped their former occupants, and condemned them to roam its lonely halls for eternity. Before you read any further, you should know that these homes were sites of truly demented deeds. The things that go bump in the night are rarely pleasant. You will find no solace or happy endings here... This book will take you into the lives of those who experienced these houses first hand. These people lived through, and in some cases instigated, unspeakable horrors all within the safety of their own homes. **Here Is A Preview Of What's Inside... Even in small towns, restless spirits and malevolent forces walk the streets. Oscar Mendoza knows this from personal experience. Mendoza can't remember a time when he couldn't see the spirits all around him. He does remember, however, when he first became unsettled by the experience. The year was 1980, and he was only four years old. He had been warned by his parents to never go down a certain alley in their town, but Mendoza decided to ignore their warning. When he walked down the street, he saw a crooked man slithering out from under an abandoned house. Mendoza escaped from the haunting's malevolent grasp but came

## Get Free Ouija Board Stories Chilling True Horror Stories Of Ouija Boards Gone Wrong Ouija Board Stories Ghost Stories True Horror Stories Ouija Board Nightmares Haunted Places Book 1

away from the experience respecting the intense power of spirits. Mendoza inherited his remarkable abilities from his parents, and in this collection, he includes stories about their supernatural experiences as well as his own. Mendoza's father tells a story of encountering a baby-stealing witch in his house one dark night. His mother describes a hate-filled intruder fascinated with her brother. The Book of the Dead is the first of a series on Mendoza's supernatural experiences. Readers can look forward to the next volume about the spirits he encountered later in his life.

A Thrilling Collection Of American True Ghost Stories, Scary Haunted Houses And Chilling Unexplained Happenings Have you ever tried to use a Ouija board? Perhaps you were just curious. Maybe you are a believer of ghosts and you want to prove that they are real. Or maybe you are not a believer and you wanted to prove everyone else wrong? Whatever your reasons are, if you decide to use one, be careful. How do you feel when you are at work, aside from the stress of unfinished work and the joys of being with work friends? During those times when you had to stay there late, did you get the feeling that someone was watching you? Perhaps you even heard it whisper your name or touch your hand... Whether you are a believer or not, you must accept one thing: there are certain things happening in our life that, try as we might, cannot be explained. We can choose to dismiss them as mere hoaxes: products of an imagination gone wild, but the feeling that something other worldly is happening cannot be relinquished.....

Creepy True Stories Of The World's Most Haunted Evil Dolls... Claim Your FREE Bonuses After the Conclusion! Traditionally speaking, a doll is defined as "a model of a human being." The presence and use of dolls dates back to ancient civilizations, including Egypt, Greece and Rome. Around 100 AD, dolls became associated with children, and were used as toys in ancient Greece. These dolls were often crafted out of rudimentary materials-scraps from whatever materials were at hand. By the turn of the 20th Century, dolls were not only a common sight in households, but many people made it a point to begin collecting them. Today, dolls of various shapes, sizes, and materials grace the shelves of expensive boutiques, as well as local convenience stores. But not all dolls are created equally. And some have proven to be deadly...

However, sometimes a person does not intentionally trap a human soul into the confines of a doll. Sometimes such a thing is done by accident... While there are many dolls in the world that people claim to be haunted, there are some cases that are impossible to ignore. These dolls have not only been seeing moving on their own...they have also caused bodily harm to others... Here Is A Preview Of What's Inside... When a fashion magazine offers YouTube vlogger and model, Loey Lane, a cover shoot at the iconic Hollywood Roosevelt Hotel, she jumps at the chance, flying from her small hometown in Kansas to the City of Angels . . . and ghosts. Soon after arriving, speculation of a murderous ghost haunting the hotel reaches Loey's ears. As the rumor goes, those that see the ghost will be the next to die. That very night, Loey watches, mesmerized, as the ghost materializes outside her poolside bungalow. Now she, along with her friends known as the LitSquad, will do anything in their power to save Loey from her supernatural fate. Of course, Loey's best chance of surviving involves teaming up with a ghost-hunter from her past, a guy hot enough to melt away the promise that Loey made to keep him at a distance.

by using a spirit board. They soon discover that they are not in contact with her. They later find out that some things are not meant to be played with, especially the 'other side', when they unleash an evil entity, which wants all of them dead. They seek the help of Penny Lane after they start experiencing paranormal activity. Can she find a way to send this spirit back to where it came from before they all end up dead? Buy The Witch Board today and watch an ordinary young woman battle with the powers of evil.

From William Malmborg, the bestselling author of the novels Jimmy and Daddy's Little Girl, comes a twisted thriller about family secrets, sexual depravity, and ultimate betrayal. Being the daughter of a successful porn star is fun, but then a car accident takes her mother from her and forces Penny to move in with her estranged aunt whose life seems to revolve around the Catholic church. Fortunately, Penny's cousin Olivia has a secret side her fanatical mother doesn't know about, one that sees the two attending parties rife with sex, booze, and drugs. Unfortunately, one of those parties also has a Ouija board. Penny thinks losing her mother to a drunk driver and moving in with her aunt is the worse thing that could ever happen to her. And then she touches the Ouija board.

Something's Out There: True Stories From Inside The Creepiest Forests On Earth... Claim Your FREE Bonuses After the Conclusion! You never know when there's going to be mysterious things you have never seen before, or if you are going to find that rumored item everyone says is out there, but no one has been able to see. You never know if you are going to find what you went out there to find, or if you are going to walk away empty handed, filled with memories of what you were looking for... People realize that they are not alone. For years people have been drawn to the woods for a variety of reasons, and for years things have been happening in the woods that no one can explain. The woods have housed criminals, they've witnessed crimes, and they've held secrets that no one will ever be able to discover. In this book, I am going to show you some of the best stories from the creepiest forests on earth. I warn you that there are no real explanation for these phenomena, and that what you are going to read is real and true. This gothic classic, "The Turn of the Screw" is one of the most famous ghost stories of all time. On Christmas Eve, Douglas reads a manuscript written by a former acquaintance, the governess, whom Douglas claims to have known and who is now dead. The manuscript tells the story of how the young governess is hired by a man who has become responsible for his young nephew and niece after the tragic deaths of their parents. He is uninterested in raising the children. The governess's new employer gives her full responsibility for the young siblings and explicitly states that he is not to be bothered with communications of any sort. Set in a remote estate this critically acclaimed novella tells the tale of a governess who, looking after two children, becomes convinced that the grounds are haunted. This story has been adapted many times for film and television, most recently in *The Turning* (2020). Famed for its ability to create an intimate sense of confusion and suspense, this novella is a must-read for all horror and ghost story fans.

Real-life supernatural stories that'll scare the \$#!\* out of you People throughout the ages have claimed to have mysterious and blood-chilling encounters with unexplained forces, such as Mothman, demons, ghosts, and extraterrestrials. eyewitness accounts telling their encounters with the supernatural... Excerpt... One day we were entertaining a neighbor and her daughter. "Why is this room so cold?" My neighbor asked as she entered a guest bedroom that felt icy to the touch. "We aren't sure. My daughter used to sleep there but had to move to a different room because of the darn temperature. Even in the middle of summer, that room doesn't get any warmer" Upon saying this, I recalled old exorcism stories about rooms going inexplicably cold when inhabited by spirits. My neighbor then asked for a cross and rosary. She was familiar with the paranormal "Leave this place at once! Leave and be gone," She repeated while brandishing the crucifix. "It's getting warming in here," I said. And that's when everything went to Hell... If you're looking for that creepy feeling you get after reading something scary... Can dolls really become haunted? Can demons take possession of people's playthings? According to a large number of paranormal investigators, exorcists, and demonologists, the answer is a resounding yes. Not only are such phenomena possible, they happen fairly often, with dolls being one of the most frequent targets of spirit attachment. Sometimes those spirits are benign, or at the most mischievous. But many are outright evil and dangerous. This book examines some of the world's most famous haunted dolls. Some you may have heard about. Others will be new. All will make you reconsider the world you thought you knew. Here is some of what you'll find inside: \* Robert, the haunted doll from Key West. A lot of the information out there about him is wrong. Find out the truth behind the legend. But don't think the truth is any less terrifying. \* Annabelle, the demonic doll featured in the movies *The Conjuring* and *Annabelle*. Find out why the real Annabelle is much, much more frightening. \* Peggy, the Internet sensation. Why you should think twice before looking at her picture. \* Find out which doll started as a hoax, turned into a terrifying reality, and is now considered one of the most "active" haunted dolls in the world. \* Discover which exotic locale and tourist attraction is a pediophobe's biggest nightmare. You won't believe such a place exists. \* Clown dolls. Need more be said? These stories and many more are what you'll find in this collection of true accounts from the frightening yet fascinating world of haunted and demonic dolls. Reading this book will undoubtedly raise more questions than it answers, but one thing is assured: you'll never look at a doll the same again.

Judas Coyne is a collector of the macabre: a cookbook for cannibals . . . a used hangman's noose . . . a snuff film. An aging death-metal rock god, his taste for the unnatural is as widely known to his legions of fans as the notorious excesses of his youth. But nothing he possesses is as unlikely or as dreadful as his latest purchase, an item he discovered on the Internet: I will sell my stepfather's ghost to the highest bidder . . . For a thousand dollars, Jude has become the owner of a dead man's suit, said to be haunted by a restless spirit. But what UPS delivers to his door in a black heart-shaped box is no metaphorical ghost, no benign conversation piece. Suddenly the suit's previous owner is everywhere: behind the bedroom door . . . seated in Jude's restored Mustang . . . staring out from his widescreen TV. Waiting—with a gleaming razor blade on a chain dangling from one hand . . .

It's not just a game. As far as Elaine Morris is concerned, the Ouija board is just a game she played at sleepovers as a kid. But her best friend, Debbie, has been messing around with one recently--and claims she's starting to hear strange noises around the house. 'Laine thinks Debbie is a total dork for getting spooked, until Debbie dies in a horrible and haunting way. Desperate to figure out what really happened to her friend, 'Laine starts using the Ouija board to uncover its mystery. She soon learns that something sinister has come through the board, and it's not ready to say GOOD-BYE. Read this heart-stopping novel before seeing the major motion picture!

The long awaited sequel is here! This all-new volume of true stories takes up where the original *Ouija Board Nightmares* left off—with even

more chilling tales, extraordinary events, and urgent warnings. Containing nearly 60 stories of Ouija board sessions gone terribly wrong, this book offers something for everyone: paranormal enthusiasts, horror fans, thrill seekers, or even concerned parents and friends. From the Table of Contents: Strange Events Menacing Messages Creepy Coincidences Infernal Intruders Fiendish Attacks Oppressions and Obsessions Zozo: The Ouija Board Demon Friends and Fiends on Fire Island A Family's Nightmare - The Story Behind Veronica When the Author of The Exorcist Tried Out a Ouija Board Interest in the occult is at an all-time high, and that means more people than ever are turning to Ouija boards to explore the world beyond this one. The problem is, the Ouija board is a magnet for attracting any and all dwellers of that world—human and demonic—and an invitation to those spirits to cross into the human realm. Can this ever be a good thing? The victims whose stories are told in Ouija Board Nightmares 2, and the experts cited throughout the book, would resoundingly answer no. These accounts are fascinating and provocative, but with them comes a warning: Ouija boards are dangerous and the entities they attract can make your life, and the lives of those around you, a living hell. Read them with your mind open, your eyes clear—and your lights on.
