Find freedom from life's hurts, hang-ups, and habits with the NIV Celebrate Recovery Study Bible. This Bible is based on eight recovery principles found in Jesus' Sermon on the Mount and on the underlying Christ-centered twelve steps of the proven Celebrate Recovery program developed by John Baker and Rick Warren.

Each one of us has hurts, hang-ups, and habits that need healing. *The Road to Freedom* is the path to hope for all of us who are in pain or simply stuck. With practical application and inspiration, Johnny Baker shares his story of recovering from alcoholism and offers the truths he has learned from his 25 years with Celebrate Recovery. Baker's father, John, founded Celebrate Recovery when Baker was 15 years old. Later, Baker would become involved with alcohol himself. Even though he saw his parents' marriage heal and watched his dad become a new person, he had to experience his own journey of healing. Baker began the process of recovery as a young adult. Now he serves on the leadership team of Celebrate Recovery, sharing his testimony of how God brought him back home. In the years since leaving alcohol behind, Baker has witnessed thousands of other lives change through the power of Christ. Whether you are dealing with substance abuse, relational struggles, or eating challenges, or you simply want to let go of what is holding you back in life, you will find answers in *The Road to Freedom*. In addition to telling his own story, Baker offers ten principles of healing. These life lessons remind you that pain has a purpose, small and steady improvement lasts longer than overnight change, serving others leads to deeper healing, and facing your problems is the only way to heal. The

Road to Freedom will help you move from coping with hurts, hang-ups, and habits to the hope and health that only Jesus can bring.

Inspired by the Life Recovery Bible, The Life Recovery Devotional takes readers on a devotional journey through the Twelve Steps, with thirty inspiring and encouraging meditations from Scripture for each step along the road to recovery. This Bible was designed to provide a beautiful gift and a useful tool for women of all ages who have been affected by the disease of breast cancer. The epidemic of breast cancer has touched many of us in some way. Whether you are a survivor or a co-survivor, The Pink Bible will bring you timeless words of hope and encouragement. Designed for easy navigation to these particular passages, you will find them highlighted in pink for quick access along with additional content tipped-in throughout the Bible. The Pink Bible is crafted in a beautiful pink and chocolate Italian Duo-Tone binding and includes a pink ribbon.

The founders of the modern recovery movement, including Bill Wilson, Bob Smith, and other early AAs, were deeply influenced by a handful of inspirational authors, from whom they received practical guidance, key insights, and concrete ideas. Their explorations of inspirational literature and useable spiritual methods gave rise to the program of spiritual self-help now practiced around the world as the twelve-step tradition. Now, some of the core books that both inspired and were produced by the early twelve-steppers and recovery pioneers – including the first edition of the 1939 landmark Alcoholic Anonymous – are collected in this powerful resource, The Recovery Bible. Here are early writings by the visionaries of recovery. Their work retains all of its impact and life-changing power – now at the ready for study, immediate guidance, and a lifetime of re-exploration in this one volume. The Recovery Bible includes: -Alcoholics Anonymous, the original 1939 landmark - The Greatest Thing in the World by Henry Drummond -In Tune with the Infinite by Ralph Waldo Trine -The Mental Equivalent by Emmet Fox - As a Man Thinketh by James Allen -The 23rd and 91st Psalms -Religion that Works by the Rev. Sam Shoemaker -The Varieties of Religious Experience by William James

Explains how people can overcome personal pain and obstacles by studying the teachings of the Bible.

Celebrate Recovery introduces The Journey Continues—four new participant's guides designed as a revolutionary, new second step study curriculum. This step study is taken after completing The Journey Begins (Participant Guides 1-4). In the seven lessons in Guide 7: Honoring God by Making Repairs, you will experience Christ-centered and biblically based studies filled with brand new acrostics, deeper questions, and more helpful Bible verses. The content in Guide 7 will focus on a deeper study of principles 4-6 of the recovery process: Openly examine and confess my faults to God, to myself, and to someone I trust. "Happy are the pure in heart" (Matthew 5:8). Voluntarily submit to every change God wants to make in my life and humbly ask Him to remove my character defects. "Happy are those whose greatest desire is to do what God requires" (Matthew 5:6). Evaluate all my relationships. Offer forgiveness to those who have hurt me and make amends for harm I've done to others, except when to do so would harm them or others. "Happy are the merciful" (Matthew 5:7). "Happy are the peacemakers" (Matthew 5:9). By working

through the lessons and exercises found in each of the four participant's guides of The Journey Continues you will find a deeper sense of true peace and serenity, continue to restore and develop stronger relationships with others and with God, and find deeper freedom from life's hurts, hang-ups, and habits.

The twelve steps used in the twelve steps devotional reading plan in this Bible have been adapted from the twelve steps of Alcoholics Anonymous.

You've undoubtedly heard the expression "time heals all wounds." Unfortunately, it isn't true. As many pastors and counselors know, people still carry hurts from thirty or forty years ago. The truth is, time often makes things worse. Wounds that are left untended fester and spread infection throughout your entire body. Time only extends the pain if the problem isn't dealt with. Your First Step to Celebrate Recovery introduces you to a biblical and balanced program that has helped nearly a million people overcome their hurts, hang-ups, and habits. Based on the actual words of Jesus found in the Sermon on the Mount rather than psychological theory, the Celebrate Recovery program has helped people for over 20 years to grow toward full Christ-like maturity. Author and founder John Baker tells the true story of how Celebrate Recovery became one of the largest Christ-centered recovery programs in history. Baker will help you discover how God's love, truth, grace and forgiveness can bring healing into your life.
