Seeking the Lost, Keeping Them, Making Them Disciples By: Dr. Benoit Petit-Homme
God bless Dr. Benoit Petit-Homme for all the work he has done in putting this book

together. I believe that any church or leader who will follow these biblically-grounded principles will see beautiful results in changed lives for the kingdom. Teresa L. Reeve, PhD, Associate Dean, Seventh-day Adventist Theological Seminary, Associate Professor of New Testament Contexts, Andrews University, United States of America

Dr. Benoit Petit-Homme's contribution to the discipleship crisis is a compelling re-examination of scripture, church history, and 21st century pastoral experience. Practical and convincing, his straightforward style brings real solutions to the evangelistic Achilles' heels of attrition. He reminds us of what has been forgotten and calls us back to our relational roots. Pr. Ron Kelly, Senior Pastor, Village Seventh-day Adventist Church, Berrien Springs, Michigan, United States of America

Seeking the Lost, Keeping Them, Making Them Disciples by Dr. Benoit Petit-Homme is a handy Christ-based discipleship resource that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping, retaining, and nurturing new believing Christians. This is a must-read for church officers, pastors, and ministry directors in the Christian church. Ron C. Smith, PhD., D.Min, President, Southern Union Conference of SDA

Every year, many thousands of people hear the Good News of Jesus Christ and choose to be baptized and join a church community. Unfortunately, it is also true that every year many new converts leave a church relatively shortly after joining. The specific reasons that each person leaves the church could fill a book by themselves, but they all boil down to one thing: a lack of focus on the part of the church

community on turning converts into disciples of our Savior. A disciple of Christ does more than attend church services. A disciple is an active member of the church community. A disciple is a witness to others. A disciple seeks to grow the church by seeking to lead everyone they meet to Christ. Dr. Benoit Petit-Homme is a committed disciple of Christ, and after extensive study of exactly why new converts leave the church, he has developed a process by which any church can make disciples. All it takes is a little extra work, a bit of encouragement, and an unwavering faith in the Lord. The Bible is not a fairy tale that ends with "and they all lived happily ever after." It doesn't gloss over the tragedies in life. The Bible tells it like it is: the good, the bad, and the ugly. Among the many stories found in Scripture, few depict all these elements more clearly than the life of Job. Although he was blameless and served God, he had more than his share of trouble. He learned from bitter experience that following God is no guarantee of an easy life. In fact-, usually the opposite is true. But God promises that our end will be better than our beginning if we build our lives on the foundation that He has laid: Jesus Christ, the Righteous Redeemer. In the midst of his despair, Job confidently states, "I know that my redeemer lives, and that in the end he will stand on

the earth. And after my skin has been destroyed, yet in my flesh I will see God." This is the end God has in mind for us, life eternal in the earth made new! Book jacket.

"Deuteronomy, The Book of Love is a review of the primary themes of the fifth book of the Bible. It shows how Deuteronomy expands on God's previous revelation, providing practical advice on how the Israelites are to live in the new territory He is giving them. It also reminds them to revere God and maintain a loving and obedient relationship with him"--

Popular claims about the old and new covenants have diminished the gospel and narrowed the faith and spiritual life of millions of Christians. Those claims have introduced confusion about what it truly means to "keep the commandments of God and the faith of Jesus." Christians earnest in their walk with the Lord will see a dynamic element of the gospel in the profound relationship between love and law. They will, perhaps for the first time, understand the apparent dichotomy of old and new covenants in the New Testament. And in the process they will be confronted with a powerful appeal and an unmistakable warning.

This book contains some selected papers from the International Conference on Extreme Learning Machine 2014, which was held in Singapore, December 8-10, 2014.

This conference brought together the researchers and practitioners of Extreme Learning Machine (ELM) from a variety of fields to promote research and development of “learning without iterative tuning”. The book covers theories, algorithms and applications of ELM. It gives the readers a glance of the most recent advances of ELM. Beginning with the destruction of Jerusalem and continuing through the persecutions of Christians in the Roman Empire, the apostasy of the Dark Ages, the shining light of the Reformation, and the worldwide religious awakening of the nineteenth century, this volume traces the conflict into the future, to the Second Coming of Jesus and the glories of the earth made new. In this concluding volume, the author powerfully points out the principles involved in the impending conflict and how each person can stand firmly for God and His truth.

In this unique devotional George R. Knight reintroduces us to our spiritual ancestors. They weren't perfect. They weren't all easy to get along with. But they shared one common goal: telling others about the soon-coming Savior. But as in any family, it's all too easy to forget where we've come from; to forget the struggles endured by those who have gone before us; to take for granted the inheritance they left to us. Sometimes we need a gentle reminder of the true value of their legacy. In shaping the future of Adventism, these intrepid pioneers molded not only our history, but our present. And as we reflect upon our past, perhaps we should also contemplate the future to which we are each contributors.

"Rest in Christ reviews the principles of finding rest in Jesus Christ. It shows how sitting at the feet of Jesus can bring genuine spiritual, mental, relational, and physical rest"-- Is God changeable? Does He have different gospels for different people? The story of redemption takes you behind the scenes in the struggle between God and Satan. It explains how the conflict began, what the issues are, and how the outcome is already assured. It traces the theme of God's relationship with man from the garden of Eden to the return of Christ and beyond.

Life is a journey, full of surprises, emotions, possibilities, and encounters. Some of these encounters—whether sought or unexpected—can change the trajectory of our lives. They are decisive encounters. How paramount it is to have an encounter with someone who will be our friend, with whom will be our partner, with people who influence our development and the shaping of our character, among others. However, of all encounters, the most important one is the encounter with Jesus. Throughout history, many people have met Him, and it has been a turning point in their lives. Jesus did not leave anyone unmoved. All the encounters with Him were decisive. In this book, Dr. Roberto Badenas talks about these encounters as well as their distinct nuances recorded in the Scriptures. He conveys to us—vividly and profoundly—the experiences of people whose lives were changed by Jesus, which gives us the desire to experience the same. The story of one decisive encounter is still missing: yours with Jesus. And that one is to be written by you.
