Building words is a fun and important part of early reading. Using the pictures on these cards as clues, your child will be able to build 28 simple three-letter nouns such as sun, cow, and jet. Once your child has mastered the simple word puzzles, he or she can use the letters on the back of the cards to build hundreds of new words. There are endless possibilities for learning! 88 cards. Ages 5 and up.

I have made this Phonics Letter of the Week unit to address the Kindergarten(Prep) level of learning. The contents of this packet provide teachers with a variety of games, activities and worksheets to help teach correct letter formation, written letter identification and recognition of initial letter sound. My aim when creating this book was to provide a unit for teaching one letter of the alphabet at a time. There is a great emphasis on letter sounds, which makes this an ideal tool for phonics teaching. There are 30 games, activities and worksheets that can be used to help you teach the letter Bb at the beginning of the year and to reinforce and consolidate what has been learnt throughout the year.

Flash Kids Flash Cards offer essential practice in key concepts such multiplication, division, the alphabet, sights words, and state capitals. Containing 88 cards in each package, these cards are sturdier than others on the market.

The Rainbow Word series takes the 500 most common words in the English language (similar to Fry and Dolch words) and groups them into different levels, based on difficulty, for easier learning by students. The levels are red (easiest), orange, yellow, green, blue and purple (most difficult). Students experience success by mastering the easier words first, and working their way up through longer words with non-phonetic spellings. In addition, there are five different groups of 100 words. The first 100 are for beginning readers in kindergarten. The next level is appropriate to first grade readers. The third set of 100 words is mid/late first grade and the fourth set is for beginning second grade, etc. Of course, any student, including kindergarten students, could master all 500 words with this program.
